

Up in Flames [The Heroes of Silver Springs 10] (Siren Publishing Everlasting Classic)

[Siren Everlasting Classic: Erotic Romantic Suspense, sex toys, HEA] Hazmat Engineer-Lieutenant Max Jasper is an explosively orgasmic recipe for disaster. Fire Investigator Regina Zimmer knows if she lets him get too close, she'll go up in flames. She's worked hard to prove herself a highly competent professional in the fire service. But when tragedy strikes, the career she loves is threatened, and surrendering to her desires for Max could change everything. Max asked one question when he first met the fiery redheaded Regina, and she immediately dubbed him as Lieutenant Ass. Since then, anytime their paths have crossed, they've ended up sniping at each other. Still, when Regina's personal life starts to take her down emotionally, Max is there for her. When the Flame Jumper begins torching businesses in Silver Springs and targeting Regina, Max is determined to help her catch the arsonist. But doing so will put his needs for her on the line and create a backdraft neither of them can escape. ** A Siren Erotic Romance
