

Verite (Love At Center Court #1)

Thats meTingly Simmonsathlete, foreign-language major, professor lover, obsessed idiot girl. Definitely not a frat rat or sorority slut. Ive never even played beer pong. I ditched the vapid, soulless high-society life of Los Angeles for the promise of something more meaningful in rural Ohio. Accepting a track scholarship for college, I tried running my way to happiness, but instead I ended up sleeping with my French professor and falling head over heels for him. When that relationship fell apart, so did I. Barely hanging on by a thread and using the most absurd coping skills, I was determined to hide behind my past indiscretions. That was, until I met Tiberius Jones. Never in my wildest dreams did I think Id learn the truth about love from a six-foot-five basketball player.
