

Wanting Spencer (Club 24, #4) (Volume 4)

Brandon Montgomery has found the girl that he has always wanted. He can't picture his life without Spencer Marshall in it, because she's like his rock. She's smart, funny, the most beautiful woman he has ever seen and of course, a good dancer. After his crazy ex-girlfriend tried to take Spencer from him, Brandon can't picture his life without falling asleep with Spencer each night and waking up each morning with her in his arms. However, ghosts from his past keep showing their ugly heads, and one tragic night, Spencer is taken from him. Can Brandon protect Spencer like he promised her father that he would? Can he get to Spencer before it's too late, or will his past take the future he has always wanted?
