

Corrupt

From New York Times bestselling author Penelope Douglas comes a new dark romance...ErikaI was told that dreams were our hearts desires. My nightmares, however, became my obsession.His name is Michael Crist.My boyfriends older brother is like that scary movie that you peek through your hand to watch. Hes handsome, strong, and completely terrifying. The star of his colleges basketball team and now gone pro, hes more concerned with the dirt on his shoe than me.But I noticed him.I saw him. I heard him. The things that he did, and the deeds that he hid...For years, I bit my nails, unable to look away.Now, Ive graduated high school and moved on to college, but I havent stopped watching Michael. Hes bad, and the dirt Ive seen isnt content to stay in my head anymore.Because hes finally noticed me.MichaelHer name is Erika Fane, but everyone calls her Rika.My brothers girlfriend grew up hanging around my house and is always at our dinner table. She looks down when I enter a room and stills when I am close. I can always feel the fear rolling off of her, and while I havent had her body, I know that I have her mind. Thats all I really want anyway.Until my brother leaves for the military, and I find Rika alone at college.In my city.Unprotected.The opportunity is too good to be true, as well as the timing. Because you see, three years ago she put a few of my high school friends in prison, and now theyre out.Weve waited. Weve been patient. And now every last one of her nightmares will come true.*Corrupt is a STANDALONE dark romance with no cliffhanger. It is suitable for ages 18+.
