

Nightfire: A Protectors Novel: Marine Force Recon (The Protectors Trilogy)

Edgy, sexy, endlessly exciting, Lisa Marie Rice never disappoints! New York Times bestselling author Shannon McKenna. The third book in author Lisa Marie Rice's steamy Protectors series—stories of passion, devotion, and serious danger featuring former Special Ops heroes called upon to leap into the flames once more to save the women they love. Nightfire combines action and intense sensuality in ways few romantic suspense novels ever have. The story of a woman desperate to fill in missing pieces of her troubled past and the sexy former Marine Force Recon operative who must protect her from the Russian mob, Nightfire is romantic, erotic, non-stop excitement. If you like the novels of Lora Leigh and Lori Foster, you're going to love Lisa Marie Rice. Cosmopolitan magazine has already named Rice's previous books Red Hot Reads but nothing is hotter than Nightfire!
