

Nobodys Hero (The Burned Lands Book 1)

First rule of surviving the Wastelands: dont be caught out after the sun sets... After her father was killed in a warg attack, Riley Kincaid was forced to stand on her own two feet in the brutal Wastelands she calls home. She knows how to survive, but when a lapse in judgment leaves her out after dark, Riley realizes shes in trouble. The sun has set, the monsters are out to play, and theres a band of reivers heading straight for her settlement. Riley needs to warn her people, but thats before she runs a handsome stranger down in her jeep. A stranger who might not be a man after all... Kidnapping her was the worst mistake he ever made. Dangerous outlaw, Lucius Wade, lives only for revenge. But when he kidnaps Riley in order to lure an old friend into a trap, suddenly the tables are turned. Riley has no intentions of being bait, and she tempts him in ways he hasnt felt for a long time. Hes never played the hero, but suddenly a part of him wants to. Even as he knows theres no point. When dangerous secrets are revealed, and Luc realizes an old enemy is on his trail, hes forced to change his plans. The hunter is suddenly the hunted, and the only allies he has... is a stubborn blonde who thinks there should be more to live for than revenge, and the ex-friend who shoved a knife in his back ten years ago.
