

## Nor Iron Bars a Cage

First I was a sorcerer. Then I was a hermit. For so long for years that seemed to go on forever I couldn't bear to be touched. I put up not just walls but whole stone bunkers to keep everyone out, emotionally, and physically as well. I was protected from people, from ghosts, from specters real and imagined. Sure, I was alone. But I felt safe. Only, after a while, I wasn't sure any longer whether a totally safe empty life was really worth living. Then Tobin came along. Out of the blue, out of my past, with a summons from the king that he wouldn't let me ignore. I tried to cling to my isolation, but he wouldn't give up on me. Tobin never believed in walls.
