

Not Quite Perfect

Sometimes having it all isnt enough Emma has everything shes ever wanted. Her boyfriends just proposed and her career has finally taken off. And so what if her latest client just happens to be downright gorgeous? Shes getting married. Isnt she? Rachels married with 2.4 children (well, actually, 3) and life is all about trying to leave the house in a non-stained top. Once it was about skinny cappuccinos, cocktails and dynamic ad agency meetings. She wants her old life back, but can it ever be the same? A sparkling, funny tale of two sisters and how often you dont know what youve got until its gone. Dont miss Annie Lyons new novel: Life or Something Like It out now!
