Cant-put-it-down suspense. Fresh Fiction Lucys boyfriend Sean Rogan is hired by Harpers company to run a security audit, causing friction between Lucy and the FBI. But when Sean finds a high-tech bug in Harpers office, an entirely new threat emerges? a far-reaching conspiracy run by a ruthless killer who will do anything to get what he wants, and kill anyone who gets in his way. And the person between him and victory is Lucy Kincaid.
