

## Hot Nights in St. Blaise: The complete calendar collection

Twelve sizzling novellas! When the St. Blaise Regional Medical Center Board of Directors decided to jump-start their fundraising and public relations, they never imagined shed be stripping their most prominent doctors, nurses, and support staff down to their birthday suits in order to beef up the hospitals bank account. Six men and six women were chosen to represent the best and brightest of this little town nestled in the heart of the Mark Twain National Forest. They also happened to be the hottest tickets in town. Soon the fundraising calendar is spiking temperatures throughout the Show Me state, and the men and women of St. Blaise are setting their small-town nights on fire.
