

Once Forgotten Twice Loved (Love of a Shifter Book 1)

Ashland Peters is a Detective with the New York Police Department. She is sent to a training class at the Meadowland Lodge in Colorado where her childhood friend Werewolf Nash Porters lives and works along with his pack. Theyve been friends since they were six years old and sent to the same orphanage. When they were old enough to leave on their own, Nash received what he had wanted his whole life and Ashland went to follow a dream. Separated for years by distance they finally get the chance to see each other when she is sent to Colorado for training. Once Ash arrives, she meets sexy werewolf Alpha Larken Wilder who owns the Meadowland Lodge. From the moment Larken sees Ash, he knows she is his mate. However, problems seem to follow Ash and it turns out no different in Colorado, when the Sheriff has a problem with his brothers mate. Its the Alphas only chance for happiness, but Ash doesnt know if she is right for the man, she doesnt want to come between him and his brother. When young girls are kidnapped from the neighboring packs, Ashs help is needed. Ash finds herself working with not one Alpha but with a team of them, if they are to save the young girls from a Rogue wolf and his pack. As they solve the mystery, Ash finds answers to questions shes had her whole life.
