

## One Broken Promise (Citadel)

A confirmed bachelor. A widow. And a broken-hearted teenage girl. Hayden Patterson has a simple rule. And hes never broken it. Sleeping with a woman more than once simply isnt going to happen. Hes always managed to hang onto his resolve, and so far, no womans ever blasted her way through. Its one and done, with no prospect of ever having anything permanent. His childhood gave him that thinking and he has no plans to ever change it. Two women together but alone, and one of them is in more danger than anyone realizes. Its hard being a teenager. Kacey Flournoy knows that all too well. Stuck in a school district full of snobby rich kids, she doesnt fit in on her single moms salary. When shes cast as a bully, it only gets worse- especially since shes the one being bullied. And her poor mom, Delaina, doesnt know what to do. Since Kaceys dad died while serving in the military, its all she can do to put food on the table. When Hayden draws his first assignment through Citadel Security, he cant believe it. No way does he want to follow a poor little rich girl around all day to guard her from a bully. It doesnt take him long, however, to figure out that somethings terribly wrong. And when he tries to right it, he meets the one woman who just might make him break his long-standing promise. That would mean hed have to let go of the past, but hes sure hes not ready and he never will be. A novella nestled between the first and second books in the first spinoff series from the Love Under Construction series, *One Broken Promise* takes the hunted to the hunter, the oppressor to the oppressed, and one very scared man to a place that will bring him to his knees. If youve ever been bullied, youll feel the pain. But youll also taste the joy of a promise broken. **WARNING:** Sexual situations, a heinous criminal act against both an animal and a person by a seriously sick individual, and a suicide. For readers 18+ only.
