

One Sizzling Night (Three Wicked Nights)

First come lies Then comes temptation Former Black Ops soldier Logan McCabe is in high-tech heaven. The smart apartment hes staying at has it all luxurious amenities, walls that change color, and a seductive and nearly naked woman in the living room. Now, thats everything a man can ask for. Except Kensey Roberts is no pixel pinup and the sexual tension between them is most assuredly real. Kensey is in way over her head. Shes undercover to expose a possible art thief and clear her absentee fathers name. She doesnt need a distraction especially the ex-military, crazy-sexy hot kind. Captain McCabe is over six feet of pure, delicious temptation. But one sizzling night wont just compromise her reputation it could blow her cover sky-high.
