

## One Small Secret (Mills & Boon Vintage Desire)

THE LOVER SHE COULDN'T FORGET  
Honor Shaw had never forgotten the passionate, sultry summer she'd spent in the arms of golden boy Mark Griffin. But then their time together ended, and maybe it was for the best. She was a simple country girl. He was in line to inherit his family's fortune. They'd both known all along it was strictly a summer romance. Now Mark had unexpectedly returned home and seemed determined to recapture the love they'd shared. Honor knew she owed him the truth, but would Mark's desire for her be enough once he discovered the secret she'd kept for eight long years?
