

Fatal Strike (The Mccloud Brothers Series)

Lara Kirk lives in a shadowy world where reality and fantasy are one. Her captors have poisoned her body with concoctions that enhance psychic abilities - and they seem to be working. To escape, Lara has formed a deep attachment with a man whose virile, sensual presence in her mind is her only comfort. Shes not even sure if hes real -until the six-foot-five-inch powerhouse bursts in to rescue her. Once freed, Lara has no choice but to trust Miles with her life as they run from enemies too twisted to imagine. But theyre also fighting a dangerous attraction that could kill, or save, them both. Either way, its going to be a hell of a ride.
