

Operation Fireworks (Operation Romance Book 3)

Not all secrets can be kept. Jake McGill wants to spend his vacation time in the mountains. As a bonus, he gets to take kids on hikes, teach them to shoot, and run the fireworks show for the Fourth of July at camp. But the instant attraction he feels for the camp director wasn't something he'd anticipated. Single mom Deb Magarry has always put her son first. When she agrees to stand in as director for the summer camp they attend together every year, romance is the farthest thing from her mind. Especially not with Jake and all the ghosts he resurrects from her past. How will Jake convince Deb to give him a chance when she's determined to keep her heart, and her secrets, under lock and key? Operation Fireworks is the third book in the Operation Romance series. Read this charming contemporary Christian romance to bring back fond memories of campfires and summer love today.
