

## A Traitorous Heart (The Reluctant Lords) (Volume 1)

She thought she had lost everyone during an early attack by Napoleons forces. Then upon returning to England she loses even more He lost his new wife in a brutal attack six months ago during one of the first battle surges by Le Grande Armee. Left with an injury to remind him of that time he reluctantly takes up his mantle as a Peer of the Realm and uses his skills with numbers and letters to help the War Office as a code specialist. Nothing could surprise him more than walking into a government safe house to question a suspected traitor and find his supposedly dead wife lying injured with no memory of their time together. Is she a traitor? Where has she been all this time? And is their love strong enough to survive or will the truth tear them apart forever?
