

Discover the Buddha: 53 Meditations to Meet the Buddha Within

Osho describes Gautama Buddha as the greatest breakthrough in the evolution of human consciousness because his discovery of meditation shifted the focus away from praying to a god toward meditation; toward becoming alert to the potential of each human being for godliness. The 52 cards in this deck together comprise a thoughtful guide to understanding the Buddha's important contribution to human enlightenment. Each card contains a sutra, a commentary by Osho, and a beautiful image of a Buddha statue. Readers can first enjoy the words as poetry and allow them to evoke an intuitive, emotional response; they can then read Osho's corresponding entry in the book to create meaning. A 53rd card, called Sammasati, represents the last word spoken by the Buddha and an inspiring reminder of the reader's own buddhahood. Individual sutras include Only Love Dispels Hate; Beyond Judgments; Neither Praise Nor Blame; Conquer Yourself; Beyond Sorrow; Awake Forever; and The Shining Way.
