

Out For You: Gay Contemporary Romance

Cant Hide My Love When desire is this strong, theres no running from it. Alec Harper has had a thing for Preston Gentry since high school. The one taste he got of the man only whet his appetite, now he has the opportunity to slake his need and get over the jerk. Preston isnt walking away, though, and Alec cant hold back. Their lust drives them into each others arms, but something hotter, and purer has developed beneath the surface. And its something neither Preston nor Alec can let go. As a college football coach, Preston cant afford to be gay. His job is on the line, but his heart knows what it wants. Being with Alec means hell be outed and he could lose his job. But some things are more important than pleasing the public...like love... *Cant Stay Away* Hed walk through fire for the doctor who once broke his heart Six months after having his heart broken, Australian firefighter Flynn Boomer is ready to live again. As part of a firefighter exchange program, he finds himself in New York. The last person he expects to see on his first day with Ladder Co. 42 is the man whom Flynn came out for: Dr. David Ennis-who left him without a word after their first public kiss. Flynn makes David feel more alive, more real than hes ever felt before. But can David deal with the rest of the world knowing? Determined to deny Flynns existence, David fights his own feelings. But no matter how terrified he is at the thought of his secret being discovered, he cant stay away from the Australian. Flynn can no more deny David than he can deny breath, but the thought of living a lie with him tears him apart. Love is powerful, but will it be enough?
