

In Too Deep (The Men of T-FLAC: The Wrights, Book 4)

Beauty can be deceiving... Tally Cruise has come to Paradise Island for a long-awaited reunion with the father she never knew. But when she arrives, he is nowhere to be found. Still, she is so thrilled by the seductive beauty of the island that she doesn't see the danger that is boiling right below the surface until a mysterious explosion nearly kills her. She is rescued by an enigmatic man whose intensity is as undeniable as his sex appeal ... a mysterious stranger who is not what he seems. Michael Wright is on Paradise to settle an old score with Tally's father, the man responsible for the accident that ended his Navy SEAL career ... and killed his best friend. But even though he hopes to use Tally to reach his target, Michael cannot deny the deep feelings she inspires within him, or the fact that her life is in serious danger. Paradise Island is a place full of hidden intrigue and peril, as deadly as it is beautiful, and Michael will need every skill he learned as a SEAL to ensure that he and Tally escape alive...
