

Out of Turn (The Kathleen Turner Series)

Breaking up is hard to do, as Kathleen Turner discovers. After a falling-out with her ex, high-powered attorney Blane Kirk, she's moving on the best she can. Unfortunately, someone from her past is set on revenge and nothing short of killing Kathleen will stop them. Keeping his brother's ex-girlfriend alive isn't something new to assassin-for-hire Kade Dennon, but this time can he protect her from himself? She's a woman he can't convince himself to walk away from, no matter what it costs him. Regret is a constant companion for Blane as he realizes the truth behind the lies he's been told. Can love heal the past, or can some mistakes not be undone? Murder reunites Blane, Kade, and Kathleen as the police put Blane in their crosshairs. Blane may lose everything unless he and Kade can find the real murderer before it's too late. But if they can't set aside their love for the same woman and work together, it will tear them apart. In *Out of Turn*, Kathleen is caught between two warring brothers, and the consequences may be fatal.
