

Out of Control (Troubleshooters, Book 4)

Bestselling author Suzanne Brockmann knows how to push the limits of romantic suspense to new, breathtaking heights. Potent, gripping, and explosive, OUT OF CONTROL is a roller coaster ride of a novel as a single act of loyalty becomes a desperate struggle for survival... Savannah von Hopf has no choice. To save her uncles life, she goes in search of Ken WildCard Karmody, a guy she barely knew in college who is now a military operative. She must convince him to help her deliver a cache of ransom money into the hands of terrorists halfway around the world. What she doesnt expect is to end up in WildCards arms before she can even ask for his help. WildCard has always had a soft spot for beautiful women. But when he discovers Savannahs hidden agenda, he is determined to end the affair. But Savannah is bound for Indonesia with or without his protection, and he cant just walk away. When her plan goes horribly wrong, they are trapped in the forsaken jungle of a hostile country, stalked by a lethal enemy. As time is running out, they scramble to escape, risking their lives to stop a nightmare from spinning even further out of control... .
