

## Outliers: three novels of romantic suspense

They live on the edge. They don't follow rules. They're unlike anyone you've ever met before. They are outliers. Denny McGowan: he has only the clothes on his back, the money in his pocket, an easy, wise-cracking charm that could melt the hardest of hearts... and two gangsters on his tail. Will Bentinck-Stanley: a billionaire aristocrat whose dark secrets involve murder, blackmail and irresistible attraction. And Eleanor Dryton: widow and jailbird, a woman who has lost everything and now only wants revenge. *Outliers: three novels of romantic suspense* in a single volume. PJ Adams has creatively combined the erotic with a touch of romantic suspense added to that is a thrilling mysterious subplot...mixed all together and you get a fabulous storyline. I loved it! (I Am A Book Addict And Proud Of It!) Love, mystery, and a killer on the loose! What more could you want out of a good erotica romance thriller, right? Well this book has even more than that to offer... Read the book! It's good! Really, really good! (Penelope Jones, author of *Iniquitous Solace*) I could not put this book down! ... This is a fast paced book and one that keeps you on the edge refusing to let you go ... I loved this ... fast fun and full of excitement. (Blazinbears Book Blog) Winner Takes All Cassandra Dane is down on her luck, and on the run from a father fresh out of jail. Denny McGowan has only the clothes on his back, the money in his pocket, an easy, wise-cracking charm that could melt the hardest of hearts... and two gangsters on his tail. Just how many chances do you give a guy like Denny McGowan? *The Object of His Desire* When Trudy goes to her estranged brother's wedding, the last thing she expects is one of those moments: a handsome stranger, their eyes meeting across a crowded room... a tempting, but dangerous stranger. A passionate erotic romance, where scandals buried away in the past lead to

murderous intrigue in the present, in the intensely steamy world of the super-wealthy and powerful. Black Widow Two years ago Eleanor Dryton lost everything and ended up in jail. All that remained was a burning desire for revenge. Now, she has learned that she can be bad, but when her search for revenge leads her to a man who takes bad to a completely different level just how far is she willing to go? A dark and disturbing romantic thriller containing themes of violence and mature situations that could make some readers uncomfortable. Outliers: three novels of romantic suspense in a single volume.
