

Unbearable Guilt (Breathe Again) (Volume 2)

Kane Archer hasnt always been tormented; he hasnt always hated himself or been full of rage. He hasnt always lived his life with an overpowering sense of guilt that threatens to destroy him. There was a time when his life was different. He was optimistic; he smiled and laughed; he loved passionately; he had it all. Kane was content until the unthinkable took it all away. Two and a half years later and still reeling from his fiances death, Kane returns to the one place he vowed hed never visit again Camden with the promise to find the men who killed her and bring them to justice, regardless of the cost. Emotionally numb, stricken by guilt, and haunted by the events preceding Aimees death, the last thing Kane wanted was to meet someone he connected with; someone who made him feel again. As Kane gets closer to those responsible for Aimees death, he is thrown a curveball when he discovers a secret so devastating it rocks his world and threatens to destroy his chance at happiness. Whitney Jareau packed up her life when tragedy struck her family, leaving everything behind. Finally free from the persistent and domineering family that insisted she do the one thing she couldnt, Whitney found peace in Camden. Two years later, her family wants her to come home and will stop at nothing to get her there. Wearing her heart on her sleeve for Kane Archer, a man so gorgeous it hurts to see the pain he carries, Whitney fights her family and refuses to return home to carry out their wishes. Can Whitney stay strong without giving in to the demands of her family? Can Kane let go of the past and move forward with the woman who brought him back to life? Or, will he walk away from her and carry the burden of UNBEARABLE GUILT
