How can you move on when your heart is taken away from you? Axel and Lily Riley live the life most dream of. Seven years after saying, I do, they have three great kids and a life full of speed and adrenaline that most men cant handle. Being a professional racecar driver, Axels dream is winning that prestigious World of Outlaws Championship. Racing side by side with his legendary father isnt easy, but hes learning from the best. Hes on his way to reaching his dream. That is until his wife asks him to leave it all behind when tragedy once again leaves the Riley family devastated and looking for answers. Their lives are sent spinning out of control in seconds. Reeling the loss, Axels only choice is walking away. But can he walk away without resentment?
