

## Heartbreak Highway 1 (From Here to Forever)

The man she had cared for was dead and the one she loved didn't know how she felt. Now was not the time for what was needed the most... Love and someone to take away this hole of helplessness. Sometimes people need a little help to find the right direction in life. What better way than to be guided by a man who knows both of them better than they know one another. But that man has just died. Or has he? Come with Eva and Marshall on a life-changing road trip. You will laugh, you will cry and you will watch the most beautiful romance unfold before your eyes.
