

The Love Trap (Avalon Romance)

The noise coming from her neighbors garage is making it impossible for Carly Ross to work. When her attempts to convince Devin Serrano to stop using his noisy power tools are unsuccessful, Carly gets an idea. If she sets Dev up with a girlfriend, he'll be too busy to work at his hobby. Dev has moved to Pine Grove, WI to recover from an accident. He discovers new interests to keep him busy, but nothing interests him as much as his beautiful, spirited neighbor Carly. Circumstances place Dev and Carly in one close encounter after another, but by the time Carly realizes she has deep feelings for Dev, it appears that her love trap has worked. Dev seems to be involved with someone else. Will they be able to snare the right partner before it's too late?
