

## A Paper Trail (My Paper Heart Book 3)

Passing her first semester of community college? Done. Getting her boyfriend an amazing birthday gift? Done. Throwing up in New Orleans on said boyfriend's birthday? Yeah...about that... Everything in Libby's life was falling into place...or she thought it was. After a night of sin in New Orleans, she thought she might just be sick from exhaustion but a trip to the doctor proved otherwise. Now instead of moving forward, her and commit-a-phobic boyfriend Blaine Crabtree have to go in a completely new direction. Every road block has gotten in their way. Everything to tear them apart. Now they have to figure out if they are strong enough to move forward or if this is the end of their paper trail.
