

Parachutes & Kisses

Married (again) and divorced (again), Isadora Wing is a single parent with an adorable daughter, an irritating ex-husband, and a startling assortment of suitors: an unorthodox rabbi, a poetic disc jockey, the son of a famous sex therapist, and WASPily handsomest of all: Berkeley Sproul III. Isadora and Berkeley meet at a health club, and hes fourteen years her junior. Of course their affair is tortuous and sexy, but is it love? Or does the stud just want a free trip to Venice, compliments of a famous author? Either way, Erica Jong wrote this romance with a mixture of eloquence and savage wit as good as anything she has ever written, said The Wall Street Journal.
