The Modern Harvest Project

Torah reading is a ritual that involves the reading of a set of passage from Torah. Torah reading, is a set procedure believed unchanged in the 2,000 years since the destruction of the Temple in Jerusalem. On Shabbat, a weekly section (known as a Sedra or parashah) is read, selected so that the entire Torah is read consecutively each year. The introduction of public reading of the Torah by Ezra the Scribe after the return of the Judean exiles is described in Nehemiah 8. The Parashat Ha-Shavua series is adapted from the King James Version (KJV), the English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611.
