BOOK #2: Marriage Help: How To Save Your Marriage From Divorce This book aims to help families save marriage. Every marriage eventually goes through some difficulties. Marriage survives ONLY if partners know how to RECOGNIZE and RESPOND to difficulties. Marriage Help: How To Save Your Marriage From Divorce will teach you crucial skill that will help you save your marriage.

BOOK #3: Self Confidence For Women: The Ultimate Guide To Building Self Esteem And Self Confidence For Women Your confidence has a big influence on how you live your life and enjoy your life. As a confident woman and when you are happy for yourself, you tend to affect people positively around you unconsciously. Have you ever had the chance to see when a girl walks in a room and people are noticing her? That girl is seen easily from the people because her confidence somehow makes her shine and she can easily start up a conversation. BOOK #4: How To Stop Being Insecure: Relationship Insecurity To Self-Confidence In 24 Hours Forming relationships is never easy. It doesnt matter if were talking about romantic

relationships or relationships with our co-workers; sometimes its just hard to trust people and develop friendships of loyalty.

It is important though to have good relationships in life. We need relationships to have a life that feels full and enriched; otherwise we feel empty and alone, which leaves us isolated and cut off from the rest of the world. BOOK #5: Procrastination Cure: How to Stop Procrastinating and Get What You Want in Life NOW Procrastination Cure contains proven techniques that will help you stop procrastinating and start archiving things. After reading this book you will know several powerful anti-procrastination techniques as well as you will get a lot of motivation. At the end of the book you will find a test that is designed to help you measure if you are still in a procrastination mode. BOOK #6: Body Language: The Ultimate Body Language Guide For Men Let us show you how to boost your self-confidence, gain respect, and get what you want all by changing and improving your body language. Body language is basically looking at the way you move, talk and the way you carry yourself everyday. The communication that we have with others is greatly affected by our body language, and by knowing how and what you are communicating, you can change the way people look at you.
