

## Dont Blackmail the Vampire (Sons of Kane Book 2)

Rachel Davis will do anything to get her sister out of a bad relationship with her fiance. Even if it involves a few fibs, a little breaking-and-entering, and blackmailing the fiances potential boss, Charles, for his help. So what if the handsome Charles happens to be a vampire? Charles Wright has found the perfect way to trap the man threatening his brothers wife: cozy up to him, get invited along on the skiing trip, and then search for incriminating evidence. How much better that audacious but gorgeous Rachel is just as eager to nail the bastard. As far as hes concerned, theres nothing wrong with a little blackmail between two consenting adults. Especially when its time for Rachel to pay up.
