

Kadenburg Revealed (The Kadenburg Shifters Series) (Volume 4)

THIS BOOK CONTAINS ADULT SITUATIONS, LANGUAGE, AND SEXUAL SITUATIONS. IT IS RECOMMENDED THAT ONLY THOSE OVER THE AGE OF 18 READ THIS BOOK. Christmastime is just around the corner and the ursithrope residents are going to celebrate the beloved holiday no matter what dangers lurk nearby. No one is more excited than panda-shifter Louisa Xiong, who is eagerly waiting to experience her first American holiday. Presley is looking forward to the possibility of meeting her brother-but not all reunions will be as welcomed. A certain wolfy duo is still struggling to come to terms with something that took place not so long ago, and they must settle upon an agreement of where they stand with one another-just an alpha and a beta, or more? Breslin Connor may be out of sight, but he isn't out of mind. Everyone knows he'll be back eventually and though they all yearn for a white Christmas, the truths they're about to discover may turn Kadenburg red.
