

Living the Dream: Whitman University

An unfortunate and embarrassing incident that precipitated Audra Stuart's breakup last winter sent her scurrying for cover, unwilling to show her face again at Whitman University. When her roommate Blair Paddington tracks her down and learns what happened, she convinces Audra that letting her jackass ex win is not the answer but that maybe going to Sebastian Blair for help just might be. Sebastian has established a reputation of being the guy without scruples—the one who can get you what you want, no questions asked. For a price. His price for Audra Stuart? Pretend to be his girlfriend so he can legitimize himself and maybe snag a job from one of his friends before graduation. To get her friends (and his) to buy the ruse the two of them have to get in deep so deep that they forget they're supposed to be pretending. Sebastian Blair is about to fall hard, but he can't help but worry. Because the girl he loves is bound to learn he was behind the incident that sent her tumbling his direction in the first place.
