

Snowflake Bay (The Brides Of Blueberry Cove)

There's no place like seaside Blueberry Cove, Maine, at Christmas--and there's nothing like a wedding, the warmth of the holidays, and an old crush, to create the perfect new start... Interior designer Fiona McCrae has left fast-paced Manhattan to move back home to peaceful Blueberry Cove. But she's barely arrived before she's hooked into planning her big sister Hannah's Christmas wedding--in less than seven weeks. The last thing she needs is for her first love, Ben Campbell, to return to neighboring Snowflake Bay... As kids, Fiona was the bratty little sister Ben mercilessly teased--while pining after Hannah. But Fi never once thought of Ben like a brother. And that hasn't changed. Except Fi is all grown up. Will Ben notice her now? More importantly, with her life in a jumble, should he? Or might the romance of the occasion, the spirit of the season, and the gifts of time ignite a long-held flame for many Christmases to come... Something old might just become something new... Includes a wedding cake recipe!
