

Grace Harbour Pack- Book 3 (BBW Paranormal Shape Shifter Romance)

As Callie and Seths relationship grows they now learn why the rogue wolves are in Grace Harbour. They want one thing - Callie dead! Franks old friend and rival ends up in the hospital and gives Seth a break, telling him that he had seen the pack, it wasnt his imagination. Now he knows its personal, they have a traitor amongst their pack and that is how they are able to hide their scent. A wolf that betrays their pack means death. There is no other sentence. Will Seth follow his fathers rule and catch the rogue in time?
