

Peace, Love, and Baby Ducks

Growing up in a world of wealth and pastel-tinted entitlement, fifteen-year-old Carly has always relied on the constancy and authenticity of her sister, Anna. But when fourteen-year-old Anna turns plastic-perfect-pretty over the course of a single summer, everything starts to change. And there are boys involved, complicating things as boys always do. With warmth, insight, and an unparalleled gift for finding humor even in stormy situations, beloved author Lauren Myracle dives into the tumultuous waters of sisterhood and shows that even very different sisters can learn to help each other stay afloat.
