

## Perfectly Broken (The Broken Series Book 1)

**\*\*NABE Pinnacle Book Achievement Award Winner for Summer 2015 Best Books in the Category of Fiction\*\*** Zane Tishler moved in with his brother after his nightmare divorce to find that he had taken in a stray, a punk chick with a bad attitude. Lili Cortez found a place to start over in a city built for hiding. But, when her roommate's brother moved in, she pegged him for a pretty boy with enough baggage to fill a semi and major hostility toward women. Now, after two years, Lili and Zane have become best friends and the perfect wingmen. They've developed a system for tagging and bagging tourists. No strings attached. They are partners in crime who have managed to have the time of their lives in the City of Sin. Life would be perfect if they could keep it this way, but a new player in the game forces both Lili and Zane to face the feelings they had not been prepared to notice. What happens when dangerous shadows from a forgotten past find their way into the neon spotlights? What happens when the fuse is lit on all those emotions they have deeply buried? Can they survive the explosion or will the backlash tear them and everyone they love apart? When two pasts become one present in the searing Nevada heat. When two realities collide under the lights of Vegas. When two lives are threatened due to secrets and lies. What do you do when you find out your perfect world is Perfectly Broken? **\*\*This is a New Adult Romance with dark themes intended for readers 18 years and up\*\*** Warning: Cliffhanger ending.
