

## Phase Three: Devastate (Territory of the Dead Book 3)

Book Three in the Best Selling Zombie Apocalypse Romance Series Territory of the Dead Life as we know it is over. There is nothing to anticipate but death, and the body count just keeps growing. I wonder how long itll be before I become one of them. You know, just another dead body wandering the streets in my never ending search for new prey. In a world like ours, there is no hope. Its just the here and now, and we have to make the best of it. But in the midst of this darkness that we call life there is Jayden. With his long, dark hair and heated eyes, hes everything that any girl could ever desire. He wants me, and I want him. But theres a problem. I cant stop thinking about the kiss I had with Kellan. He might be older. He might be military tough, with an iron will that never bends, but I cant get him out of my mind. Kellan is the sexiest man Ive ever seen but so is Jayden. If you found yourself caught in the middle of two alpha men, what would you do?
