

Claim 2: Volume Two (Claim Series)

After a frightening, nearly unsuccessful bout of online dating, Loren Tena finally found the guy she'd been searching for. Nolan was the epitome of her idea of perfection. Loren used to wait for the other shoe to drop, and in this case, it came knocking on her door. Face to face with her past, Loren has to decide which path to take: The one she'd already been down and failed or the new, exciting one leading her into the arms of her perfect cowboy. Claim Volume Two should be read following Volume One. The final installment, Volume Three, will be released in February 2015.
