Life Thirty Three Years of Poems &
Images An attempt, in increments, to say
and show the wholeness of inspiration in
my life. ** The Poems Eighty-four
original poems, written between 1981 and
2014. Some never before published, and
many others pulled from my various poetry
collections of family, sports, arts, love, and
places poems. * The Images Thirty
original images. Most are photographs
from places Sheila and I have either lived
in or visited, from the Texas Hill Country
to Vermont to Paris. Links are often
included to any articles or category listings
on my site with more similar images. *
The Poetry in Fiction Samples From my
Poetry in Fiction series on my site, I've
include the poetry portion from three
postings in this book. The full articles
include the fictional excerpt the poetry was
created from, plus additional commentary
and links. * The commentary and Links
All commentary is my own, meant to
entertain and show how or why I've come
to create a particular poem or image. And
all links are what's called, non-affiliate.
That just means the links are not tied to an
advertiser, including myself. Even if you
visit or buy one of my creative items, the
link to it is just a link, and I don't make
more monies from providing it. I don't
have anything against making money from
a link I provide, but I've had my site on
Wordpress for a long time now, like the
way everything works, and have no plans
at this time to move everything to a
commercial-able site to profit from any
links. * Thoughts The exploration of
inspiration in our lives is really a simple
thing, yet endless. Which complicates
things. But in an interesting lifelong way.
That's a lot for me to be grateful for. :-)
Thank you so much, sincerely, Felipe
