

Plague: A Love Story (The Kandesky Vampire Chronicles Book 3)

The third book of the Kandesky Vampire Chronicles begins the saga of the familys start during the chaos of 14th century Hungary. When Stefans wife and infant son die in a minor plague outbreak, he has nothing to live for, so Therons turning him to a vampire is just a way out of his anguish. Until he takes over the estate of a merchant, recruits Jean-Louis to teach him business and meets Lady Penelope Kandesky. Plague returns to Budapest and this time paves the way for Stefan to become Baron Stefan Kandesky, a businessman who builds a trading empire with the help of Jean-Louis and Pen.
