

The Pleasure Bot (Planet Desire Book 4)

4 ? Stars and TOP PICK!from RT BookClub Magazine,...Hot sex, sidesplitting humor and an out-of-this-world story set this erotica apart from the rest!Bringing new meaning to battery operated boyfriend...Priscilla Potter rents the latest sex toy, a better-than-lifelike pleasure robot, for a little weekend R&R. However, her fantasy companion isnt quite what she expected. Hes unshaven, uncouth, and doesnt seem to understand shes in charge of her own pleasure. But she soon decides the on-line shop got the order just right. As the weekend draws to a close, she has to find a way to keep her robot past its return date.Bootlegging entrepreneur Declan O'Hanlon needs a place to lay low until he can figure out how to liberate his crew and ship from Customs impound. The uninhabited house he picks for his hideout actually belongs to a sex kitten who mistakes him for her latest toy. Intrigued by the idea of being a womans fantasy come true, Declan does what any red-blooded man would do--he pretends to be her acquisition. But he doesnt count on Priss being quite so irresistible. As the time depart nears he wonders how he can ever leave her behind.Note: This story was previously released in 2004 but has been revised.
