

Pleasures, Inc

Pleasures, Inc. Where the hottest men fulfill your steamiest fantasies, and they are there for your pleasure only... Nick Duvane is desperate to leave his job at the local TV news station and get back to freelancing. But he must finish one final assignment: go undercover at a male escort service and expose it as legalized male prostitution. Only when he begins an affair with the owner, sexy, hard-headed Diana Grady, can he deceive her and destroy her business, all for an expose? Diana Grady's failed marriage and financial struggles drove her to make her escort business a success. She's poured all her energy into Pleasures, Inc. and ignored her personal life. But when intelligent, steamy, Nick Duvane enters the picture, she gives in to her passion. Yet Nick has a secret, and it just might shatter her
