

Play Me #4: Play Me Real (Play Me Series)

How do you know when somethings real? In the steamy fourth installment of an eBook original serial from the New York Times bestselling author of Ruined and Addicted, a devastating betrayal unravels a fierce yet tender connection. My name is Aria Winston. Ive fought desperately to escape the seedy underbelly of Las Vegas. Now Im on my own, in control of my own life and my own destiny ... just the way I like it. Until Sebastian Caine changes everything. Aria has learned to play Sebastians game. Shes given him control, taken it back, and let him push her farther than she ever imagined she could go. But when Sebastians past comes to light, Aria receives a glimpse behind the facadea revelation that disturbs her even as it makes her feel closer to this simmering, complicated man. Finally she comes to understand the real reason why Sebastian feels the need to dominate everything in his path. But Aria has a tortured history, too. And together theyre a dangerous combination. Now shes the one pushing Sebastian to the breaking point ... and if one of them burns up, theyll both go down together. Play Me is intended for mature audiences.
