

Chubby, Charming, and Chaotic (Plush Daisies: BBW Romance Book 3)

Winnie was never one of the popular girls. Being teased all of her life left her with a brick wall around her heart that was almost impenetrable. She was rough around the edges, pushy, and demanding not exactly endearing traits that drew the attention of men. About ready to give up on love and become a crazed, cat lady, her friends Becky and Samantha convince her to give it one more shot. Becky sets her up on a date through her matchmaking service, but is it a match made in heaven or something else? Butch Ramsey is a lot of man. He chops wood for fun, blows things up for a living, and stands well over six feet tall. He's just got one tiny problem, he hasn't been on a date in ages and the idea has him sweating bullets. With anxiety that overwhelms his life, Butch clings to the hope that he'll be able to find his one true love, if he can pry himself out of the chair that he's glued to. That proves harder than he imagines. Will Winnie be the one for Butch? Or will he go running like every other man in her life has? (Book 3 in the Plush Daisies series.)
