

Neros Dream: A Dragons of Incendium Short Story

Nero has always aspired to be an astrologer in the royal court of Incendium. When he divines a portent about the pending royal marriage, he makes the perilous journey to the capital city, only to be kept from delivering his tidings in time. Worse, Nero is assigned the task of pursuing a dragon princess bent on taking vengeance upon her reluctant groom, a feat he knows can't be done. His dream appears to be lost forever until the captivating princess Peri surprises this unlikely advisor. Neros Dream is a short story set in the same world as the Dragons of Incendium series of paranormal romances. It should be read after Wyverns Mate.
