

Cuba Undercover

His revenge will change her life forever Cuban-American TV reporter Rebecca Menendez's success comes from playing by the rules. When she's kidnapped by a fierce and intensely handsome man who needs her help, however, all of those rules seem pointless. Nothing could have prepared her for being taken hostage for the irresistible reward if she complies: information about her long-thought dead father. Antonio Vega has spent almost every day of his adult life dreaming of revenging his father's death. With his sister's life and freedom in jeopardy, Antonio isn't taking any chances. But once Rebecca and Antonio are in Cuba, they're immersed in a world of corruption, deceit, and betrayal. It's a deadly game and there are no rules.
