

The Demon Kiss (Of Witches and Warlocks Book 2)

5 out of 5 Stars Demon Kiss is a fast-paced, tragic, triumphant, romantic, inspirational, emotionally loaded, powerful story. It grabs you from the first sentence and doesn't let you go! This is a cover to cover, hope you downloaded book three on the same day read. Beverly Sharp, The Wormhole Reviews 5 out of 5 Stars The author has written it in such a way that you sigh, you laugh, you cheer, you cringe, you cry right along side with the characters and to me that's an essential element to a good story. I loved the storyline of The Demon Kiss and how the author introduces twists you never see coming. This is definitely not a boring read and it's one that will keep you up all night reading frantically because you can't bare to put it down for a second. Belinda Boring, The Bookish Snob & The Romance Reviews Overview: A sadistic evil. A love of the ages. The quest for power. A hope for peace. The Demon Kiss The story has a great plot and wonderful characterization. You'll love all the characters - well, expect for the ones you're not supposed to love! Tisha, Paranormal Opinion The Demon Kiss revvs up the action and intrigue from its predecessor, The Trouble with Spells, and the new tone of mystery and espionage adds an exciting new facet to Lacey Weatherford's tale of magic and romance.
