Authors Note -- This book, and the other books in the series, are included for a limited time in the new release of KILLIAN (book four in the West Bend Saints series), now available! Killian also includes exclusive epilogues to Elias, Silas, and Luke! Tempest Call me Robin Hood. Im a grifter. A con artist. I dont just steal from the rich. I take from the worst of the worst, the people who deserve to be hustled. I have two rules - keep moving and never fall in love. I only ever thought about breaking them for one boy. And that boy just walked right back into my life, a ghost from the past. Silas Saint. Now hes a man. Hes sure not the person I fell in love with, a lifetime ago. But when he touches me, its enough to make me forget my own name. He makes me want to break all my rules. Silas Ive been fighting as long as I could remember. I think I came out of the womb swinging. I even tried to go legit until trouble sent me out of Las Vegas and back to West Bend. I never expected a different kind of trouble to come waltzing back into my life, all curves and tattoos and sass. Tempest Wilde. Any idea what tempest means? A violent windstorm. Thats something I dont need. I loved her once, a lifetime ago. Before I knew better. Love is for suckers, and Im sure as hell not a sucker. But the way she looks at me? It makes me want to give her everything I have.
